

ASSEMBLY INSTRUCTIONS

Alaina 2 Seater Sofa

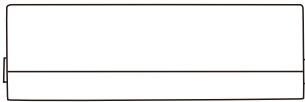

Code:LT10678<10680<10682

Thank you for purchasing this product from us.

Please kindly refer to the following instructions for correct assembly.

- For expedited assembly, we recommend using a power drill set at a lower speed for efficiency.
- Assemble the product on a flat and smooth surface to ensure stability and avoid scratching or damaging the surface of the product.
- Keep the components aligned on the same horizontal plane during assembly to prevent screw dislocation and ensure proper installation.
