MATTERS NEEDING ATTENTION

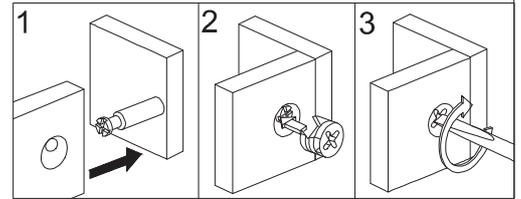

1. You need an assistant to complete the installation.
2. Before all parts are in place, do not over-tighten the screw.
3. In order to avoid giving you a bad installation experience, please follow the following steps in the installation instructions, and carefully distinguish between screws and boards.
4. To avoid choking hazards, please keep small parts and packaging materials away from children.
5. Adult assembly is required. Keep away from children during installation.
6. After the installation is completed, you can use cotton cloth to clean the board.
7. If you have any questions, please contact us, our email address is on the cover.

LED Smart Mirror Instructions and Notes

Name: LED vanity mirror
Model: LED vanity series
Voltage: 12V
Power: ≤36W

**Light Color
Adjustment**

ON/OFF

**Light Brightness
Adjustment**

Touch the M to switch the color of the light.

Touch the center to control the light on or off.

Press and hold P to adjust the brightness of the light. (Cycle)

Note: This 12V power adapter only applies to the power supply of this product, the first time you touch the switch there will be a 2-second start-up delay, which is a normal phenomenon and does not affect use.
